Where we are Better Together!

Fellowship...Growth...Transformation

Welcome to CommUNITY Groups at EUM

Today, we are busier than ever. Every day we rush from one event to the next, surrounded by people we barely know. In the sea of people we encounter daily, we can still feel isolated and lonely.

Life is better when shared with others who genuinely care. Life change happens when believers grow in community together, spend time together, encourage and support one another.

That's what CommUNITY Groups are all about.

CommUNITY Groups are small groups of 3 to 12 adults of all ages, stages of life and spiritual maturity who meet on a regular basis in someone's home for fellowship, study, prayer, laughter...they do life together.

Life together also means groups serve together in a variety of out-reach projects 2-3 times a year.

Isn't it time you got connected?
