Hello,

Thank you for your interest in joining the Kidmunity Children's Ministry team. There are several ministry teams within Kidmunity, and several servant and leadership positions within each team. We are excited you have decided to take a closer look at being a part of this awesome community that is dedicated to serving children and growing them to Christ.

Serving in children's ministry is rewarding, fulfilling, sometimes hard, self-less, inconvenient, joyful, invisible, challenging, loving, heart-breaking, fun, and makes earthly and eternal impact on children and yourself. God will lead you as you step into a serving position and become a part of this team. We believe God will richly bless you as you continue to grow in your personal relationship with Him while seeking to follow his plan and purpose for your life. Whether children's ministry is your primary or secondary serving ministry, we believe God will use you in incredible ways to care and minister to the children of EUM.

The path to serving in children's ministry is a simple process.

1. Please complete the enclosed application and return ASAP to the church office, or drop off in Liz's mailbox, located in the copier room.
2. After review of references and background check, you will be scheduled to attend an orientation and/or interview. This is an important step that is vital for you and the ministry. Please make every effort to attend at the first possible date.
3. Orientation and/or interview is a time for us to get to know you in a more personal way, and to assist you in finding the best fit for serving. It is also your first training and you will receive vital information regarding the **who, what, how, and why** of children's ministry, and how it fits in the overall vision of EUM Church. You'll also receive instruction on our policies, procedures, and servant expectations.
4. You'll receive a call from your team head coach, and they will schedule your serving time and will be your immediate contact for further information and training relevant to that specific ministry. Some teams and positions require more training than others. You will meet your coach the first day of serving, and be introduced to others on the team, and of course, the kids.

We are looking forward to serving along side you as we team together to connect kids to Christ and prepare them to live for Him. It's all about the journey.

Because He loves kids,

Liz Gable  
Children's Ministry Coordinator
