David and Saul

It is difficult to do what is right when others are trying to persuade you otherwise.

What did David's men want him to do? If you were David, how do you think you would respond? What was David's response? Did David do the right thing? How do you usually respond when your friends are encouraging you to do something you know you should not do?

Bad Habits

It is difficult to lose a bad habit. God wants us to live pure lives and that means we have to put off some of the things that we pick up from the world.

READ: Ephesians 4:17-32

Make a list of the items Paul teaches the Christians in Ephesus to put off. Which items on this list do you hear Christ calling you to put off? With the Holy Spirit's help, become conscious of the bad habits in your life, then, turn them over to God that he might help you leave them behind.

Right is Often Hard

November 5 & 6, 2011

Jeff Harper

Doing the right thing is not always easy. In fact, most times, doing what is right is a difficult decision. If you want the Lord to bless you, it is important that you train yourself to do what is right. Do the hard thing!

MY PRAYERS FOR THIS WEEK:

DAILY PRAYER:

Lord, I want to honor you with my life. Help me make right decisions. In Jesus' name, Amen.
